

Kentucky Wildlands

The Edge of the Appalachians

Inspired by the stories of the early Scotch-Irish settlers in the Appalachians over 200 years ago, at the edge of the Appalachians in Kentucky are entryways into the local hollers and hills. This region is where the "Bluegrass Kisses the Mountains". Wildlife is abundant in the woods, Color weaves itself in and out of the forest tapestry.

Kentucky Wildlands

The Edge of the Appalachians

As the season changes, wildlife adapt. Creeks and ponds may start to freeze, but the bird-filled branches sing with life year-round in rural Kentucky. Detailed lines, soft pastels and vibrant colors thrive in the "Kentucky Wildlands" 2nd Colorway.

Escape into the Wildlands of Kentucky, and into the many colors of birdsong, the rivers, lakes, flora and fauna!
